

Dedication and Acknowledge

I dedicate my project to my family and many friends and colleagues. A special of gratitude to my loving parents, Lamine and Raghda Khalissa whose word of encouragement and push for tenacity ring in my ears. My seblings Nawfel, Kais, Shaima, Mohammed, Rouqaya and Abderrahmen, have never left my side and are very special.

I also dedicate this project to my friends who have supported me throughout the process. I will always appreciate all they have done.

Thank you all for being there for me.

I would like to acknowledge and thank all my teachers for allowing me to conduct my project and providing any assistance requested.
